The background of the entire image is a photograph of a dry-stacked stone wall. The stones are irregular and vary in size, creating a textured surface. A dense layer of green ivy covers the top half of the wall, with some leaves hanging down over the stones. In the center of the wall, there is a rectangular plaque made of light-colored stone. It has a decorative border and contains the text "1977 DOLPHIN" in a serif font.

DEDICATION

Without her leadership in taking the first step, there would be no “STEPS.” Without the inspiration of her dedication to the value of education, we would not be able to understand all that Chadwick School has given to us. Without her example of courage, and honor, we would not be so well prepared for the world beyond Chadwick. Our love, and appreciation of her has grown with every passing year.

It is with the deepest respect, and the greatest affection, that “STEPS” is dedicated to our beloved founder, Margaret Lee Chadwick, by the class of 1977.

IN APPRECIATION:

To the parents of the Class of 1977 - Because you care, we have benefited. On the bottom step it is parents who make Chadwick a reality. We appreciate that you have given us something special that can never be taken from us - a Chadwick education. We thank you, our parents.

With love and gratitude,

Get out of da ivy, Brad!

Mmm, Mmm, good...

Matt, get DOWN.

There he is AGAIN!

OUCH!

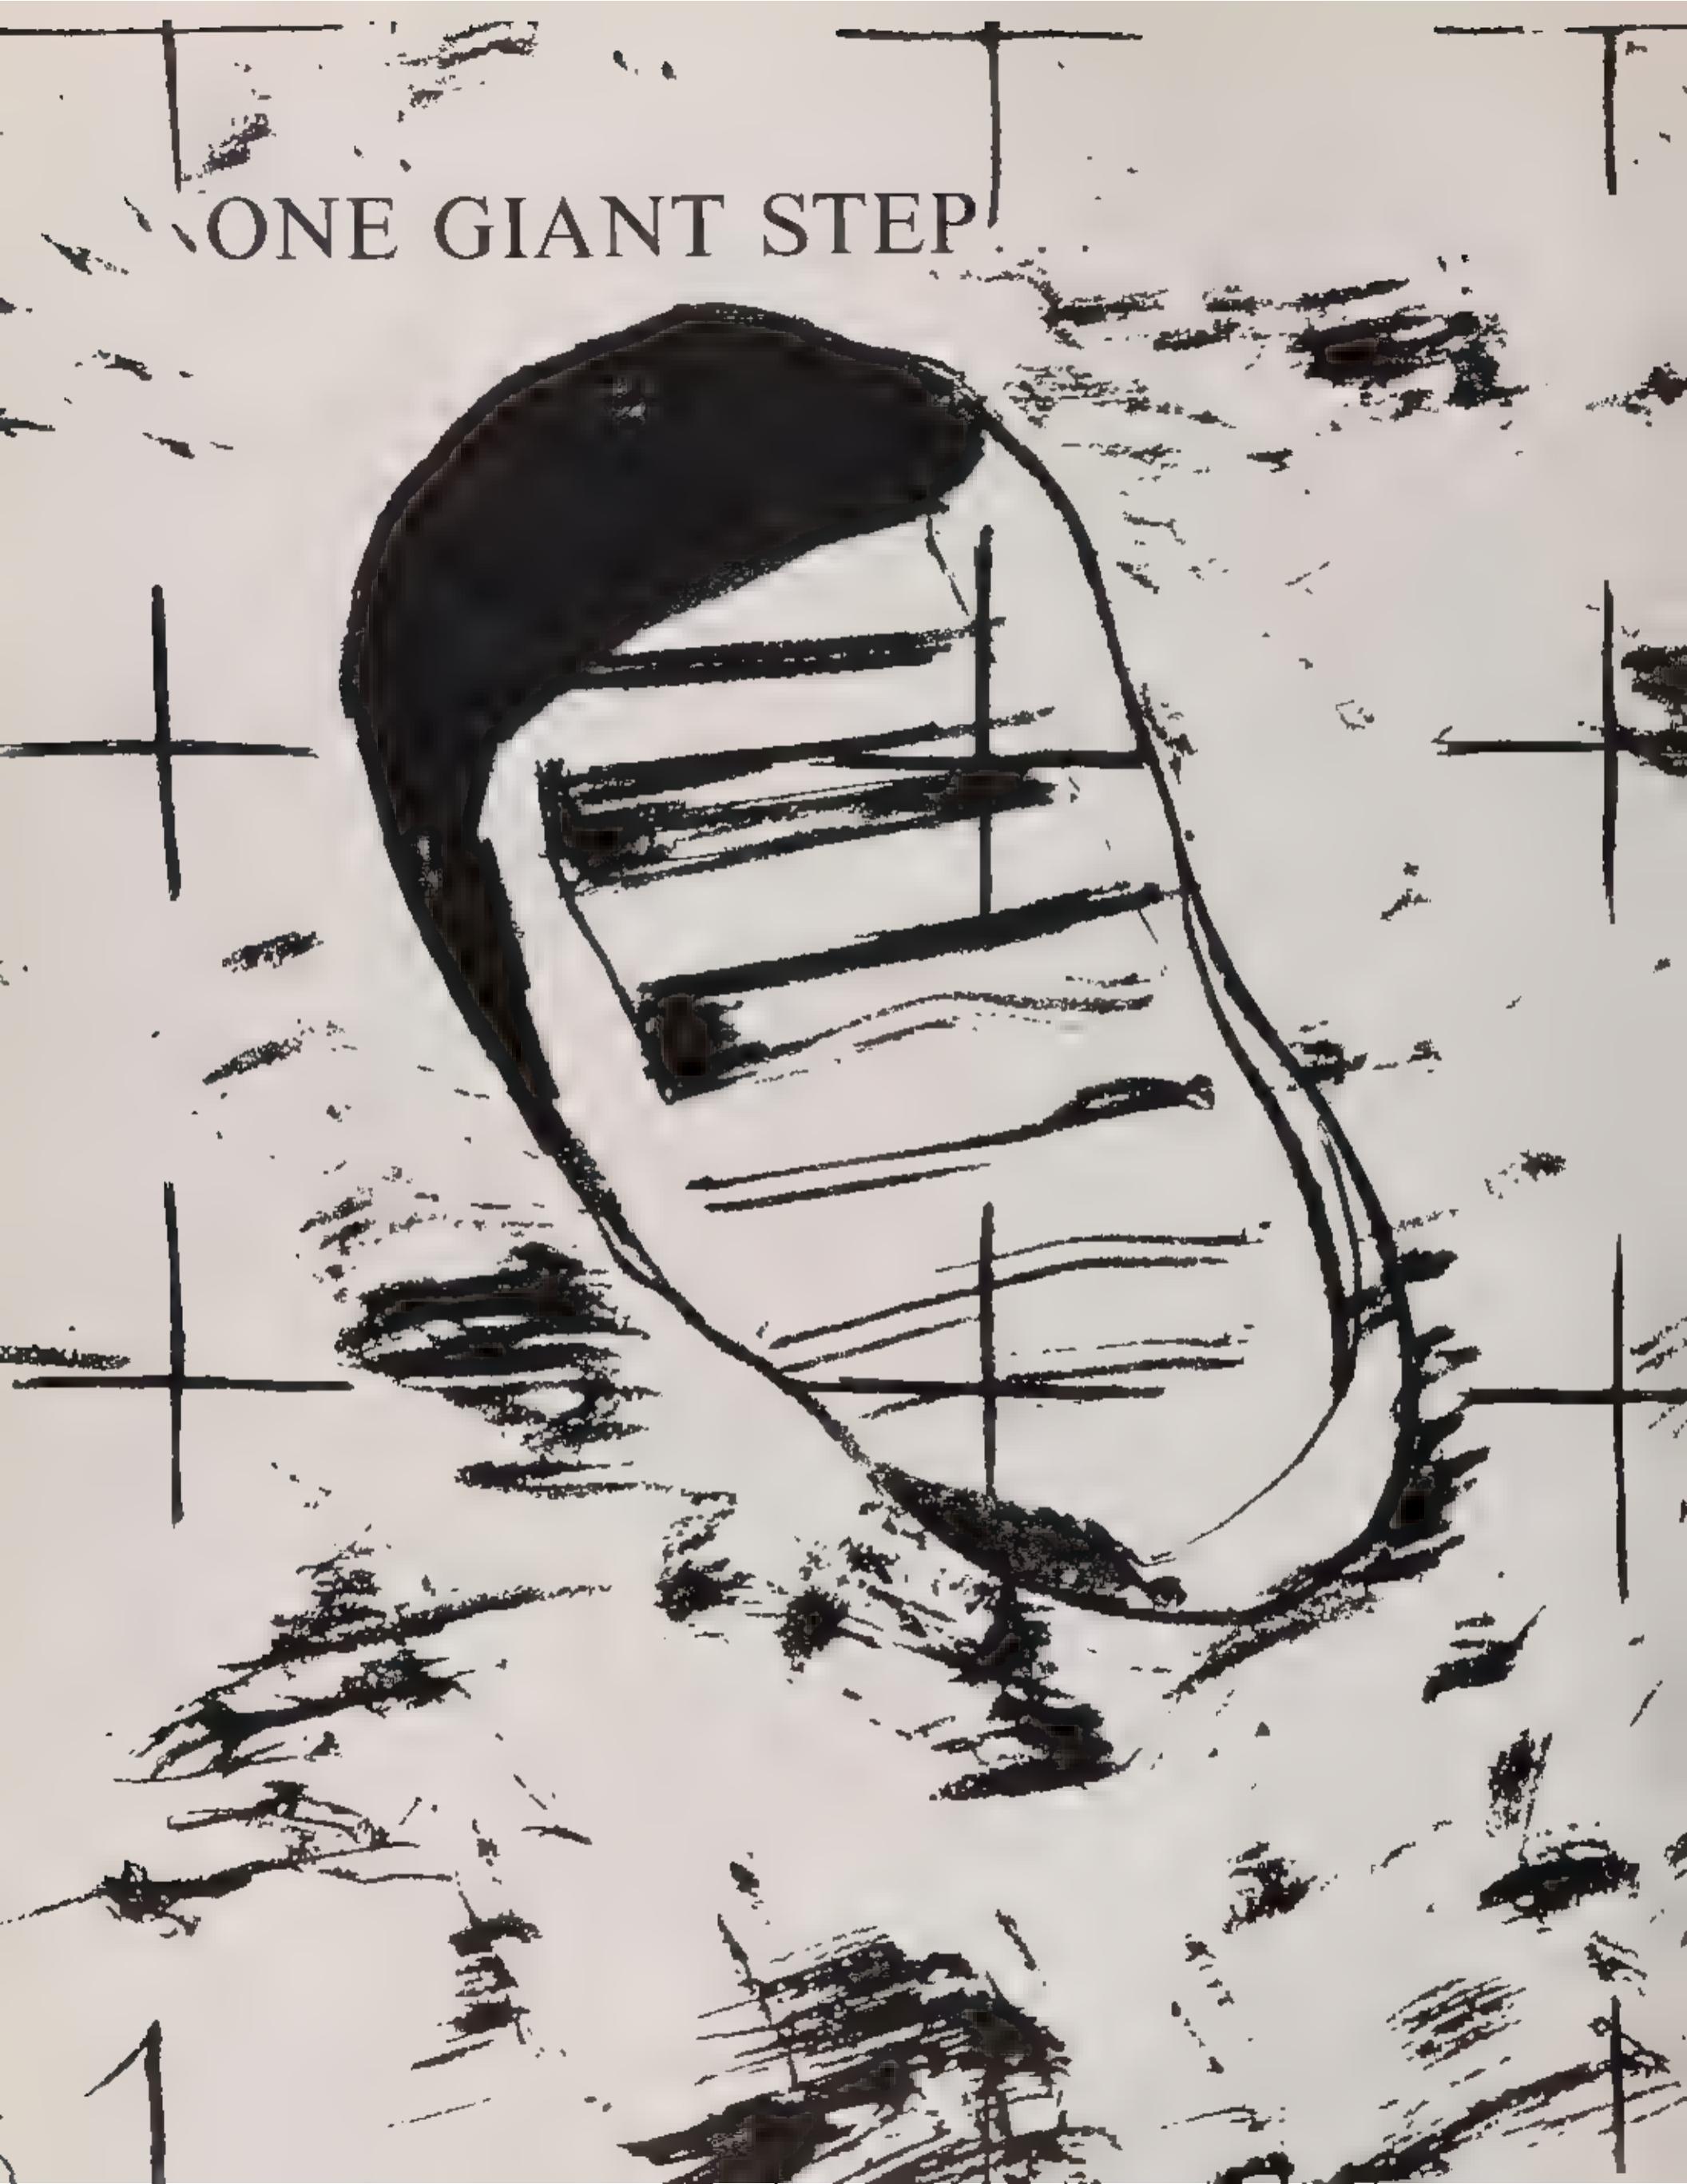

The whisper of the ocean
as it's washed along the shoreline,
is the soft and gentle laughter
of water running free.
The pool of light beside me
chases shadows from my memories,
and there're quiet cries of seagulls
flying low upon the sea.

These are the sounds of my life,
Like the deeply soothing call of the sky.
No matter where I go,
these memories will follow...
these quiet sounds of my Home.

Chadwick School is many things.

Chadwick is tradition.

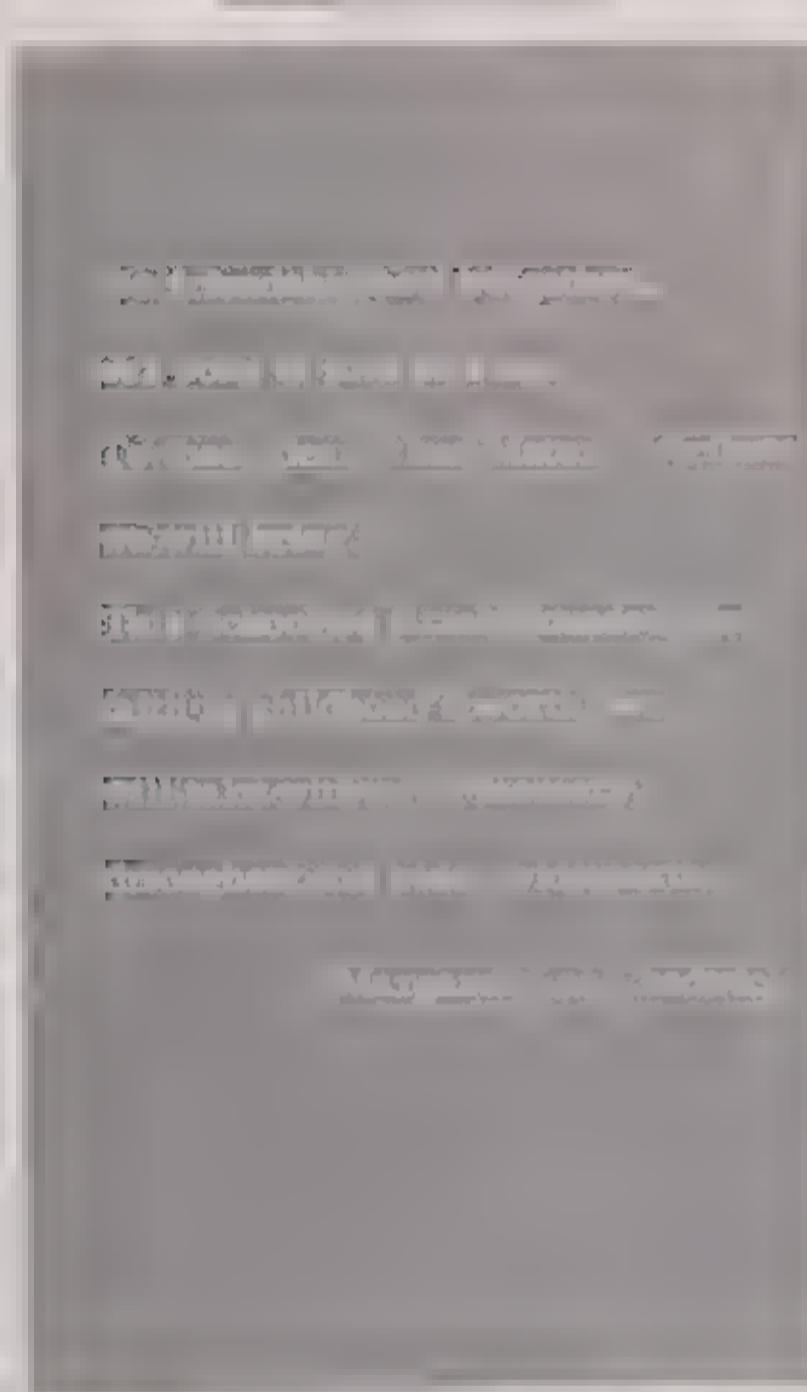

Chadwick is honor.

Chadwick is pride.

When the sportsmen and sportswomen of this school participate in athletic competition these attitudes become more important than just the final outcome on the scoreboard. These concepts affect our daily lives, and we would not be the fine people that Chadwick strives to make us without them. Regardless of whether we experience victory or defeat, we have learned to study the faces of our players. What do we see there? Is it passion? Is it pain?

Or, is it pride....

FOOTAGE . . .

Here's the NEW U.N. --the UNITED NUTS!

There's Matt again with his infamous "Mr. Big gone rief" imitation.

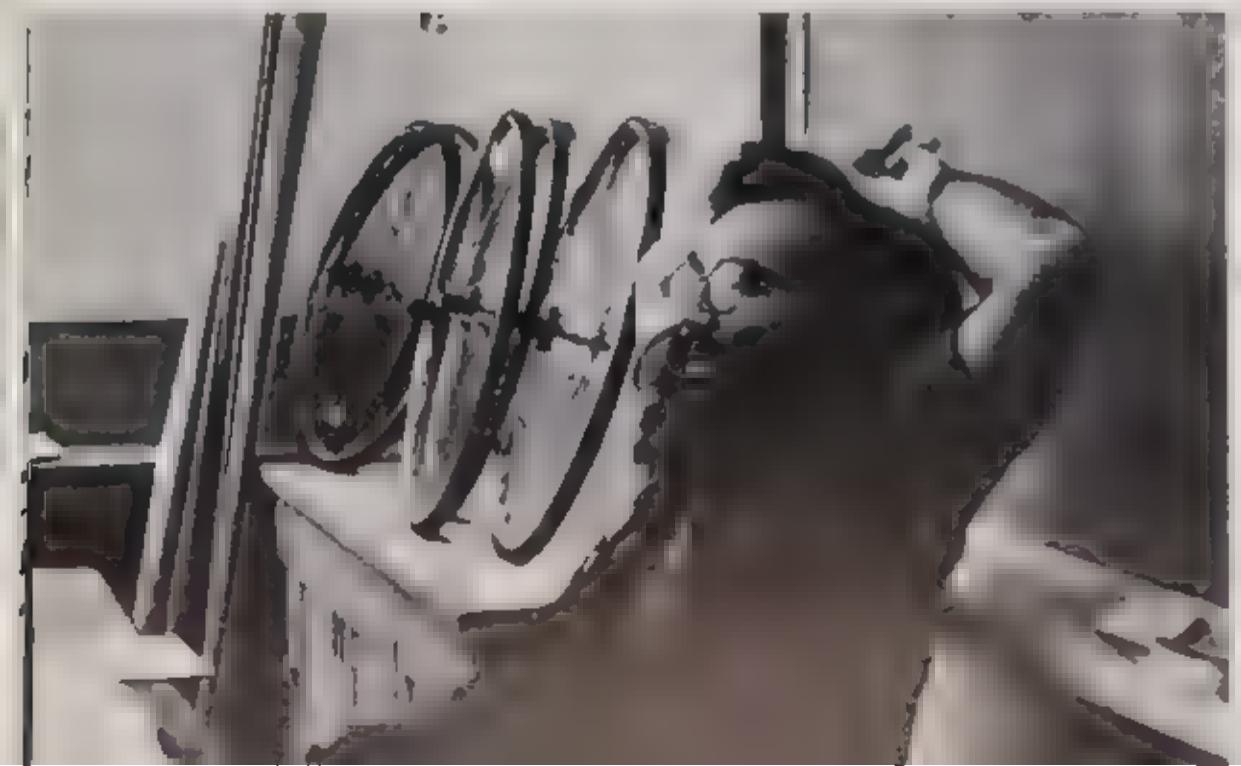

You dissected my doughnut!

Hey, Dave, 7x8 is 56...

Call Miss Clairol--I'm a NUCLEAR scientist.

I like it, I LIKE it!

Another victim of Infectious Senioritis.

Sorry, Julie, Pepsodent already has an actress!..

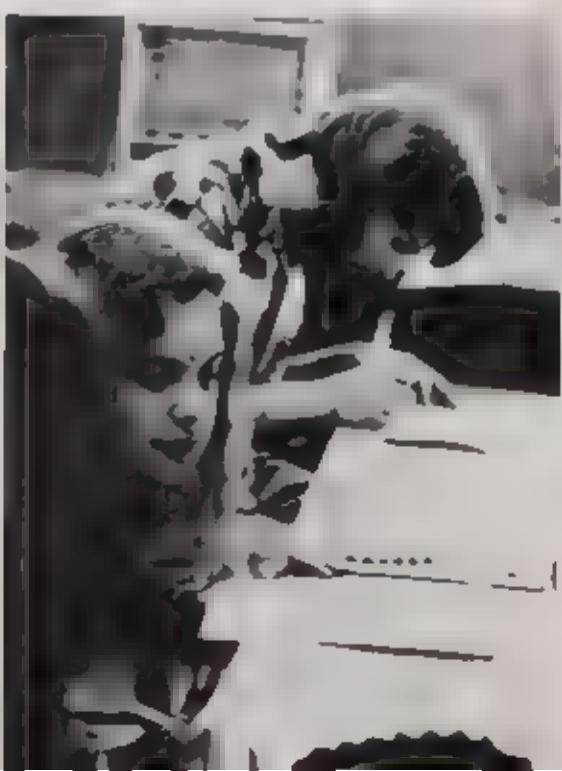

You're from Vogue?

You don't have any film in there?

Maybe if I take a little off
the other leg ---

The lunch bunch

Change for a ten?

Get a move on.

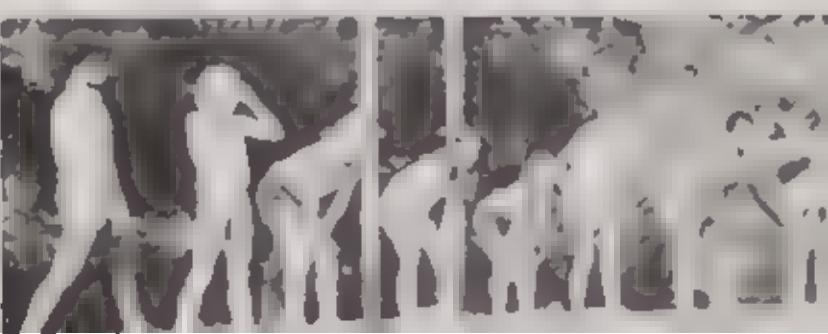

Get a move on.

Sit on it.

Where'd it go?

Fair Pair

This class is so exciting!

Yes, I use Short and Sassy!

Karen - er, ah, Kim --

You said WHAT to Dr. Knight?

Can I get you a glass?

Keep trying Mananda!

He's just another Breck
Boy on the prowl.

Mrs. Leach with P. E. tips on "How to
catch a Man".

I wish Bob would learn to open the door BEFORE
he walks in!

Hey! Would you like some
chewed gum on your camera
lens?

'Betcha thought school was for academics, didn't you....

The Senior Lunch Bunch

Just STIFLE, Robert!

Keep it up, and you'll be clicking that thing through your navel!

Music + Meditation = Double Trouble

Which side are you on, P. C.?

It's simple! Ford wants to be your car company!

Must have been the cup-o'-coffee!

Big boys don't cry.

I'm mad if you are - I'm not if you aren't!

Another uneventful day at Chadwick

"Plus Ca Change,

Plus C'est La Meme Chose."

GREAT MUSIC!!!

This is so exciting.

Is it Kim or Karen??

Don't Blame Desenex!

Upon our children—
How they are taught—
Rests the fate,
or fortune
of tomorrow's world.

—B.C. Forbes

Out Again?

This belongs to me and me alone! Now lay off!

Gee, who does his hair?

GRIN'

There go the latest Paris originals...

Whew! The other team must eat
PLANT food!

Hey, world! CAN YOU HANDLE WHAT'S
COMIN YOUR WAY?!

Cindy is a PRIME example of
the wonders, and dangers, of
eating health food...

"HEY BIG A" that's you Colby

Good Luck To Ya!

Principles

Nothing in the World can take the place of persistence. Talent will not; nothing is more common than born talents that die in infancy. Genius will not; it needs persistency to turn it to account. Persistence will fill the world with wonderful杰作。Persistence and determination alone are omnipotent.
